

act'ble INTERNSHIP

MARKETING & PRODUCT

for six months
with immediate effect

Are you looking for an internship? You consider founding a company yourself?

You are open-minded and interested in dance, want to learn as much as possible about innovation, marketing and self-employment in the design sector, and want to get involved in a creative young company?
company?

We are looking for you!

Why is the internship worth it?

- / participate in creating the future of act'ble with your strengths, wishes and interests
- / grow with new tasks and collect experience
- / make new and interesting contacts
- / experience the great variety in the everyday life of a Startup
- / social media marketing
- / work with a young team in a beautiful studio in Karlsruhe!
