

Universitat
de les Illes Balears

Departament
d'Economia
de l'Empresa

Instituto de Empresa (IE Business School) located in Madrid and Universitat de les Illes Balears (UIB), located in Mallorca, both in Spain, have two open positions (one in every place) of a Research Assistant for a joint research project on Business Groups.

The research project intends to better understand the role of Business Groups in the economy from different perspectives, i.e. the finance, internationalization, diversification, governance, gender, strategy, growth, and economic perspectives.

Candidates must have 300 ECTS in total, from a bachelor's degree and a master's degree.

Each position comes with 4 years of funding, resulting in a base salary of 21,100 € in years 1 and 2, 22,300 € in year 3 and 27,900 € in the last year. Additionally, there is an amount of 6860 € to spend as a visiting researcher in an external R&D research centre.

Candidates should send their CV to marc.goergen@ie.edu or rafel.crespi@uib.es by Friday Nov 5th 2021.
