

Working Student Sales

Location: Marl, Germany

Company: Sasol Germany GmbH

Sasol is a global integrated chemicals and energy company with a 70-year heritage. Through our talented people, we use our expertise and selected technologies to safely and sustainably source, manufacture and market chemical and energy products globally. When you join Team Sasol, you are joining a company that puts people at the center of everything we do. Sasol invests in its employees along every stage of the career path and offers development opportunities to help you cultivate your career in a culture that embraces diversity and inclusion.

Purpose of Job

We are seeking a dynamic and customer-focused working student as Sales Assistant to join our team. The incumbent will support and assist in the sales process and contribute to the overall success of our organization.

Recruitment Description / Key Accountabilities

- CRM support on maintaining masterdata up to date, Account creation, Sample entering and tracking.
- Managing product related documentation requests. Address the appropriate Sasol department/IT tool for needed input and distribute the documentation to the customers/sales manager.
- Prepare credit applications and start approval process with account team.
- Contract preparation and NDA support to Legal.
- Cooperate with sales manager on updating the SAP pricelist.
- Supporting sales team on admin and marketing activities. (e.g. follow up action items, newsletters, internet research etc)
- Monthly Transferpricing calculation
- Collecting and analysis of market information, including but not limited to import/export statistics, supply/demand balances, competitors (capacities, capacity utilization), market share etc

Formal Education

- ongoing business administration/management studies or science-oriented studies with a strong business and market affinity (Bachelor or Master)

Required personal and professional skills

- excellent communication skills with a strong customer-focus
- strong work ethic and curiosity
- fast learning ability
- strong analytical skills

Our Benefits

- A collegial team and a wide range of tasks with a high degree of creative freedom await you, for which you will quickly assume responsibility.
- We ensure the best possible work-life balance through flexible working hours and the option of mobile working.
- We offer you attractive remuneration, supplemented by numerous modern social benefits.
- As part of our health management, you can access a work-life service, personal advice/coaching and webinars at any time.
