The University of Münster is committed to equal opportunities and diversity. We welcome all applications regardless of gender, nationality, ethnic or social origin, religion or belief, disability, age, as well as sexual orientation or identity. The University of Münster aims to employ more people with disabilities. In cases of equal qualification, applicants with recognized severe disabilities will be given preferential consideration. The University of Münster advocates for gender equality and strives to increase the proportion of women in research and teaching. Applications from women are therefore explicitly encouraged; women will be given preferential consideration in cases of equal suitability, qualification, and professional performance unless there are overriding reasons in the qualifications of another candidate.
