

## ***Student Assistants Wanted for the eXperimental Reality Lab at the Marketing Center Münster!***

The Marketing Center at the University of Münster is seeking several student assistants (6 hours/week) for XRLab@MCM, starting April 1, 2025, to support research and teaching activities in the field of VR, XR, and AR.

**You study** at the University of Münster, can demonstrate (very) good academic performance, and are **enthusiastic about new technologies like virtual reality and AI**, as well as research in general?

**You are** also willing and motivated to familiarize yourself with new topics and areas of work, as well as hardware and software?

**You have** strong proficiency in the English language, extensive knowledge of MS Office, and stand out due to your organizational skills, high social competence, and professional demeanor?

**Interested?** Then send your application documents (cover letter, CV, and current transcript of records) electronically by **January 26, 2025**, to [Tanja.Geringhoff@wiwi.uni-muenster.de](mailto:Tanja.Geringhoff@wiwi.uni-muenster.de).

Become part of one of **Europe's leading eXtended Reality Labs** as a student assistant and support the XRLab@MCM team in studies and projects focused on virtual, augmented, and extended realities!

**Join our team!** Shared barbecues, Christmas parties, and introductory events offer many opportunities to connect. And as a member of XRLab@MCM, you will **gain access to state-of-the-art VR equipment!**

***We look forward to  
your application!***

The University of Münster is committed to equal opportunities and diversity. We welcome all applications regardless of gender, nationality, ethnicity, religion or belief, disability, age, sexual orientation, or identity. Family-friendly working conditions are a matter of course for us. Applications from women are expressly encouraged; women will be given preference in cases of equal qualification, competence, and professional performance, unless compelling reasons in the person of another applicant prevail.
